

# Workshop - An Introduction to Native Bees

Presented by Katrina Forstner...

Katrina is the founder of Buzz and Dig, a local gardener, native bee enthusiast and maker of insect hotels.

This workshop is an introduction to native bees and pollinator evolution with flowering plants.

Native bees perform a valuable service of pollination in the garden. Learn more about these solitary bees, and the advantages of attracting them to your garden.

When:  
Saturday 11<sup>th</sup> November 2017

Time: 1.30pm - 3.45pm

Cost:  
\$50.00 members  
\$55.00 non members

VENUE:  
The VINC propagation shed

Afternoon Tea provided

Included in the workshop:

- an introduction to native bees
- how to spot a native bee
- nesting types
- buzz pollination
- indigenous and other plants that attract native bees
- presentation of native bee hotels
- how to set up a bee friendly garden

The day will also include a foray into VINC wetlands and the nursery for bee spotting.
